9:45-10:45

CPS Conference room

Welcome/Introductions (if new members): David Thomason, Katy, Jen, Caitlin, Emily, Brent, Brie, Sydney, Terri, Paula

Reflections/Follow up from last meeting:

Voluntary SafeCare is full. In the meantime: Changing the language from “do you have openings in SafeCare” to what does the family need?

Home Visiting system updates:

- *Current caseload, openings in programs*

AWARE: Case Management going great. Can make a referral to case management, get clinical assessment as part of that process. Has some staff openings, but can refer to case management as a good place to start. Imagine they will be full in Early Head Start by April.

Florence Crittenton: Full for SafeCare. Parents as Teachers has openings. HPC is open to all. Free. Parent-Child Interaction focused.

Potentially planning a COS class with Parent group via AWARE/FLOCRIT

Healthy Families: Pretty full, but always takes referrals. Hiring NFP nurse soon (BSN preferred). Asthma program has openings. Connecting a lot of families with cribs and carseats. Offering weekly breastfeeding classes.

Family Outreach:

2 new staff. Over age of 3 services are growing now with new staff.

Working with school district to get involved with ChildFind on a monthly basis. Working with them to get 0-3 Childfind services. New RFP out to provide E and D (Evaluation and Diagnostic) out. Can't work within an agency if you provide E&D services.

OTHER: Compass Consulting (Kelly and Val): 4/4 COS class at St. Pete's Love and Logic in Townsend (don't know who)
